## What proof of income do I need to provide?

We can accept several forms of income verification:

- Two (2) paycheck stubs dated within the last month for each wage earner per household.
- Your government award letter showing the total deposit amount of pay for these benefits, and/or any other income:
  - ✓ Social Security
  - ✓ supplemental security
  - ✓ pension
  - ✓ retirement
  - ✓ survivors benefits
  - ✓ disability
- W2s or tax documentation for the last calendar year (valid only if all income is taxable/reported)

## Is my Medicaid/Insurance/EBT/Social Security Card sufficient proof?

No. Qualifications are determined based on household income.

## Do I have to qualify in order to receive free spay/neuter services?

Yes, you must qualify for this no cost service. We limit the spay/neuter services to pet owners who otherwise would not gain access to quality services for their companion pets. If you do not qualify, we will be glad to provide some low cost alternatives for you.
